

Dear Jenks Families,

We thank you for your continued support and commitment to the success of our children. One of the most incredible things about Jenks is the engagement of our families and parent involvement. We would like to offer additional opportunities for our families to get involved and consider serving as *Homeroom Parent(s)*.

A homeroom parent serves as a liaison with the classroom teacher and works in conjunction with our HSA/FOJ to help coordinate classroom activities. You may be asked to help coordinate snacks, festivities, communication to the other family members in the classroom and help our school wide events.

If you are interested in serving as a homeroom parent please complete the form below and turn it in to you child's homeroom teacher **by Friday October 14th**.

It takes a village to raise our children! Thank you for serving our village with your gifts and talents.

Yours in Partnership,

Corinne Scioli
Principal
